

## ACCOMMODATIONS

Equus-Training/Horse Agility Austria provides luxury accommodations during your stay. The Finca is a beautiful 150-acre ranch in the hills of Nosara. The villas have breathtaking views of the ocean, sunset, river and jungle below. The property features stables, an uncovered arena, a roundpen, pastures for the horses, endless riding trails, waterfalls, basketball & tennis courts and an outdoor yoga space.

Equus-Training/Horse Agility Austria arranges all of the accommodations for the participants of the Monty Roberts Clinic. The villas have wifi throughout and cleaning and laundry service is provided daily.

Rooms are booked on a first-come, first-served basis, so book early to get the best selection. We offer special packages for partners who want to come along (but not for the clinic).

When you place your deposit, we ask that you also let us know what your room preference is. Please note that there are a limited number of private rooms available. Many of the rooms are booked as shared rooms. If you are traveling alone and opt for one of these rooms, we will match you with a roommate of the same gender for the week. If you are traveling with a partner, please just let us know if you would like to share a room and/or bed.

Please note that most guests spend very little time in their rooms during our event given the number of activities. Most groups arrive as strangers and leave as family.
